Hereby we grant a free scholarship to Eduitalia, for the program "AP" of the Italian Embassy in the United States.

The full scholarship includes:

- a) a course free of charge 3-4 weeks on student's choice, in a class 6-12 people.
- b) homestay

The preference goes to majors, but we welcome minors, too (the school declines the responsibility outside the school activities and the host family declines the responsibility outside the domestic life).
